Ms. Bencilla Powell,

Thank you so much for your assistance with our "Backpacks for Children" program on August 23, 2022 at our community pantry. The book bags, filled with the school supplies that you gave us, enabled the children in the community to have the tools they needed to help them be successful in school during the new academic year.

We were able to give 96 bags to families with children. We are still working outdoors with our pantry so families with children were given two book bags each.. You so graciously helped us with a donation of 48 book bags and another source gave us an additional 48.

We are certainly praying that the country gets COVID 19 under control as well as Monkey Pox and everybody will be safe once again both in our schools and in our communities. We are looking forward to partnering with you in the future on projects that enable us with your assistance, to continue to make a difference in our community.

Sincerely,

Tamam Tracy Moncur
